I've never felt like this before  
I wanna feel like this some more  
How did you do what no one's done?  
Chances were a million to one

I betcha can't do that again  
Move me like you did just then  
Make me wanna spend the rest of my life  
Here in your arms

I betcha can't take away my breath  
Leave me with no resistance left  
See if you can  
I betcha can't do that again

I'm at the mercy of your touch  
I never wanted anyone so much  
But can you do that one more time?  
I'd really love to see you try

I betcha can't do that again  
Move me like you did just then  
Make me wanna spend the rest of my life  
Here in your arms

I betcha can't take away my breath  
Leave me with no resistance left  
See if you can  
I betcha can't do that again

See if you can  
I betcha can't do that again
