Well, I boxed up those things  
You left behind  
And I gave 'em to goodwill  
Outta sight, outta mind

But it's not working out  
Like I hoped that things would  
I guess it wouldn't be so bad  
If it hadn't been so good

I called up my folks  
And told 'em we were through  
And I was well along my way  
To gettin' over you

I didn't have to say much  
'Cause I knew they understood  
Yes, it wouldn't be so bad  
If it hadn't been so good

All our old friends  
They ask how you are  
I tell 'em I don't know  
And I don't care anymore

But I can't make them believe  
No matter how I try  
I've gotta learn to forget you  
Or learn how to lie

Well, it isn't like love  
Never hurt me before  
But I always recovered  
And came back for more

This time I'm wonderin'  
If I even should  
Lord, it wouldn't be so bad  
If it hadn't been so good

We seemed so perfect from where I stood  
And it wouldn't be so bad

If it hadn't been so good  
Lord, it wouldn't be so bad  
If it hadn't been so good
