Listen up  
Yeah, people say I'm a little backwoods  
Yeah, that's good I think  
I'm proud of these Lucchese boots  
And this old hound  
I make fried bologna with a side of sweet pickles  
I can put my two cousins on one bicycle  
That's thangs that they don't teach ya  
Up in town  
Hey I'm tried and true  
I don't apologize  
For the country ways I live my life

[Chorus]  
I been hillbilly since way back when  
Keepin' the ways of all my kin  
Kickin' it up with an ice cold Bud  
And some old cheap wine  
Well I'm as country as dirt  
Or an old cowpod  
Dedicated to keepin' us dignified  
Down home, Rednecktified

I think cow tippin's 'bout a fun as it gets  
And snipe huntin', I ain't got one yet  
And all of my friends are takin' me back next week  
I got a 4x4 sticker on my 2-wheel drive  
I got the same size wheels on my house  
And I got a swimmin' pool out back  
They call it a creek  
Yeah, I graduated from Redneck U.  
And I still say "y'all" and "fixin' to"

[Chorus]  
I been hillbilly since way back when  
Keepin' the ways of all my kin  
Kickin' it up with and ice cold Bud  
And a box of good wine  
Well I'm as country as dirt  
Or an old cowpod  
Dedicated to keepin' us dignified

Down home, Rednecktified

Yeah I like rap and love to rock,  
But I've been singing' country music since  
Before it was pop

[Chorus]

I been hillbilly since way back when  
Keepin' the ways of all my kin  
Kickin' it up with and ice cold Bud  
And some 20/20 wine  
Well I'm as country as dirt  
Or an old cowpod  
Dedicated to keepin' us dignified  
Down home, Rednecktified  
Down home, Rednecktified  
Everybody say red (red) neck (neck) tified
