Hey there baby where'd you get that smile
Make a country boy walk a country mile
You're sweet like a peach from a Georgia farm
Got a honey suckle kiss that will break a boy's heart

I got a Chevrolet out in the parking lot
With an empty seat and I know the spot
It's a pretty good haul down an old dirt road
I got a tank of gas and a radio

Come on baby, be my shotgun rider
Cruise through the country maybe, pull an all-nighter
Every little Bonnie needs a Clyde beside her
Come on baby, be my shotgun rider

Now put your pretty tan toes up on my dash
Lay your head on my shoulder, baby kick on back
We can put a 100 miles on this old truck
Or pull on over, fog the windows up

Come on baby, be my shotgun rider
Cruise through the country, maybe pull an all-nighter
Every little Bonnie needs a Clyde beside her
Come on baby, be my shotgun rider

Now baby don't say no
You know you wanna go
There's a good time waiting on you
Down that road

Sure like to see your hair in the wind
The moonlight dancing on your skin
Wake up in the morning head towards the sun
Like a couple outlaws out on the run.

Come on baby, be my shotgun rider
Cruise through the country, maybe pull an all-nighter
Every little Bonnie needs a Clyde beside her
Come on baby, be my shotgun

Come on baby, be my shotgun rider

Cruise through the country, maybe pull an all-nighter
Every little Bonnie needs a Clyde beside her
Come on baby, be my shotgun rider
