Oh yeah

For three long months it's been cold and gray
Now too much work and not enough play
But that old groundhog didn't see it's shadow today
It won't be long, heaven's on its way

No I can't wait for the girls of summer
All makes all models all styles and shapes
In their cut off jeans and string bikinis
On sandy beaches rivers and lakes
Those wintertime blues sure been a bummer
And I can't wait for the girls of summer, oh girls of
summer

I hold their memories in the wintertime
And watch 'em come alive in the warm sunshine
From coast to coast in every city and town
Cruisin' around with their tops rolled down

And I can't wait for the girls of summer
All makes all models all styles and shapes
In their cut off jeans and string bikinis
On sandy beaches rivers and lakes
Those wintertime blues sure been a bummer
And I can't wait for the girls of summer, oh come on
girls, ooh

And I can't wait for the girls of summer
All makes all models all styles and shapes
In their cut off jeans and string bikinis
On sandy beaches rivers and lakes
Those wintertime blues sure been a bummer
And I can't wait for the girls of summer
I can't wait for the girls of summer

Oh the girls of summer, go girl
Oh, show me what you got
I like it
Oh, make my eyes bug out, oh
Yeah, yeah
