Kiss me each morning for a million years  
Hold me each evening by your side  
Tell me you love me for a million years  
Then if it don't work out  
If it don't work out  
Then you can tell me goodbye  
Sweeten my coffee with a morning kiss  
Soften my dreams with your sigh  
Tell me you love me for a million years  
Then if it don't work out  
If it don't work out  
Then you can tell me goodbye  
If it don't work out  
If it don't work out  
Then you can tell me goodbye  
If you must go I won't grieve  
If you wait a lifetime  
Before you leave  
But if you must go I won't tell you no  
Just so that we can say we tried  
Tell me you love me for a million years  
Then if it don't work out  
If it don't work out  
Then you can tell me goodbye
