C:

Bad chicks wanna be the leader  
Bad chicks smell the failure  
Bad chicks enjoy your trust and cheat you  
Bad chicks are the player  
Bad chicks like to love each other  
Bad chicks play with fire  
Bad chicks have no time to bother  
Bad chicks, they're ranked higher

1:

Some came up with set of new laws  
First installed in the history  
Kicked the guys and their good old rules 'cause  
They make their own destiny

B1:

Look the girls, they grow in strength worldwide man  
Look the girls, they bare the teeth and bite damn  
Look the girls, they will restrict your right  
They tease you - and wanna fight

2:

Naughty girls threw away the covers  
Make the rules what is good what's bad  
Spend their time with a bunch of lovers  
Leave the guys and they don't regret

B2:

Look the girls, they grow in strength worldwide man  
Look the girls, they bare the teeth and bite damn  
Look the girls, they will restrict your right and  
Look the girls, they are prepared for fighting

3.)

Bad chicks adjusted the evolution  
Weak men now have to leave the place  
Pull back, can't handle the confusion  
Bad chicks are made to win this race
