More effort, more damage in my daily life
Taking a cynical attitude give me some comfort
Hiding myself, heated and irritated; living only a short
time

More effort, more damage in my daily life
Taking a cynical attitude give me some comfort
Hiding myself, heated and irritated; living only a short
time

Can I see
Can I see
Without the lighth
Can I feel
Can I feel

Can I hear
Can I hear
Without the sound
That so fear
That so fear

REFF:
Lord, please shine your lighth
Down, upon me
Lord, take all this unhappiness
From me, who is desperate

I can't stand
With my hesitate feel
That so hard
To pretend
There's no one
No one
Can save my life
Only You
With your lighth

REFF:
Lord, please shine your lighth
Down, upon me
Lord, take all this unhappiness

From me, who is desperate

REFF2:

Lord, forgive my sins
My sins in my entire life
Lord, give me a chance
To fix my blame
Lord, please shine your light
Down, upon me

Save me...
Forgive me...
Don't shout me
Please shining on me
