Undercover

Wrd: Myu

Msc: Myu

Hear my test for your madly chemical
Nothing at last to join of this festival
Nine black rats has come and rule the way
There's no time to stay

You know you don't have to prove it like that
And shocking all the flame in that frames
Break the crane
Let the paint green like it does before

Bridge:

Saiga e no pakkeji ga kitanda
Kore wa tashika ni bokura no sei nanda

Reff:

Kodomo no koro ni kuraberu to
Kono sora wa amari aosareteinai
Boku no kami ni jinsei no nioi e no dameji
Kodomo no koro ni kuraberu to
Kono hikari wa amari kagayaitenai
Boku ni yukkuri korosoo to omotta kanjiteiru

Put in the place who made it for it
And don't make this thing useless
I know you never care of this house
You only think about "someday"

Burn! Blow! Bang! Boom!
Heaven is not a place who like to kill each other
And one thing you must know
Nature will not respect us if we always like that

Bridge:

Saiga e no pakkeji ga kitanda
Kore wa tashika ni bokura no sei nanda

Reff:

Kodomo no koro ni kuraberu to

Kono sora wa amari aosareteinai
Boku no kami ni jinsei no nioi e no dameji
Kodomo no koro ni kuraberu to
Kono hikari wa amari kagayaitenai
Boku ni yukkuri korosoo to omotta kanjiteiru
