I wanna be a vampire
I wanna come tonight
I wanna be a vampire
Who'll suck ur blood tonight

You drive me so crazy
And I can't control my mind
We're playing some bad games
Just shake and move

U yeah... Ur skin's so tight
And I bite with my fang
U yeah... Ur blood's so fresh
And I suck with my lips
U yeah... This night is over
And I go to my castle
U yeah... The sun's too bright
And I cover my eyes...

U yeah... We are vampires
Wanna come in your night
U yeah... We are vampires
Who'll suck ur blood in ur night

U yeah... Ur skin's so tight
And I bite with my fang
U yeah... Ur blood's so fresh
And I suck with my lips
U yeah... This night is over
And I go to my castle
U yeah... The sun's too bright
And I cover my eyes...
