Help me
To stand up each day
To walk In Your way
To read Your word and pray
Help me
To fight a good fight
To stay in the light
To praise You day and night
Help me
To not just survive
To be so alive
Smiling on the inside
Help me
To let Your light show
To let Your love flow
So all the people know
Whoa
My Heart cries out to You
Whoa
Your grace will see me through
Whoa
You give me heavens view
Whoa
It all comes back to You
Help me
To walk in Your love
Sent from above
Lifting me up
Help me
To sing a new song
When everything's wrong
