One summer night  
Feeling blue  
I got it right  
It was a dream come true

My heart was beating  
Butterflies in my stomach  
A romantic meeting  
She made me fly

She's the girl  
With the roses  
In her hair  
They're white as snow

Four thousand long miles apart  
Do you remember love?  
You reached me with all of your heart  
Now feel our heaven above

We used to talk all through the night  
Do you remember love?  
Wanting to hold you so tight  
Now feel our heaven above

I just wanna hold you  
Once in these arms of mine sweet love  
And make this dream come true  
Remember the time with me baby

I am there now  
All alone  
Wondering how  
I could phone

Never saw you  
Never heard you  
But I felt you  
I still love you

She's the girl  
With the roses

In her hair  
They're white as snow

Four thousand long miles apart  
Do you remember love?  
You reached me with all of your heart  
Now feel our heaven above

We used to talk all through the night  
Do you remember love?  
Wanting to hold you so tight  
Now feel our heaven above

I just wanna hold you  
Once in these arms of mine sweet love  
And make this dream come true  
Remember the time with me baby
