Now, let us both work hard
Let's throw away our last playing card
I'm gonna show you our world
Sweet girl

And now, let us both believe
In everything we stand for and win
I'll never let go of your hand
Sweetheart

You and me
The superteam
Let's rock
And soon
You'll see
This ain't a dream
No lock

Kiss my lips
And carry on, my girl
Then you'll feel a lightning evolution
In your heart

Quick, hold this sign for me
And carry on living how you want
I will protect you baby
All your life

I can feel
The burning heat in you
It's breaking my concentration quite bad
Why did you have to be so cute
R-chan

You and me
The superteam
Let's rock
And soon
You'll see
This ain't a dream
No lock

Kiss my lips
And carry on, my love
Then you'll feel a
Lightning evolution
In your heart

Listen to the story inside of my chest
It tells of the time I had with you girl

Kiss my lips
And carry on, my love
Then you'll feel a
Lightning evolution
In your heart
