Outside of our school
I'm waiting for her
Trying to keep cool
Time is a blur

"Go and wait outside"
That's what she told me
Is she still inside
It's way past three

NOW ALL I KNOW IS

Locker eightynine
Trying hard to find
Locker eightynine
She's still on my mind

And I know it's such an easy thing to do
Falling for that girl
She might just be crazy
But she rocks my world

Searching the hallway
Can't find that number
A girl in my way
She says "I wonder"

She asks "do you write?"
I say "I guess"
She says "you're alright"
"Now here's her adress"

STILL MY BEST LEAD IS

Locker eightynine
Trying hard to find
Locker eightynine
She's still on my mind

I'm trying so hard
To find the roses
She's hidden and guard

From their damn noses

I don't really know her
But I know I want her, that sweet girl

I'm at her door
With our homework
I'll count to four
Then wash off my smirk

Suddenly inside
She's saying to me
"I lost you and kinda lied"
"Sing and I'll tell you"

WELL, ALL I KNOW IS

Locker eightynine
Trying hard to find
Locker eightynine
You are on my mind

And I know it's such an easy thing to do
Falling for you girl
You might just be crazy
What's with this number?

Locker eightynine
Trying hard to find
Locker eightynine
She's still on my mind

And I know it's such an easy thing to do
Falling for that girl
And soon I will see
Her name is Lindsey
