Gerod was a dreamer  
Full of life he needed  
To fill his cup with youth's ripe wine  
Then came warning  
Nature took away  
And time no longer stands by his side  
She don't care just know your only human

Mary was a flower  
Beauty walked beside her  
Blessed her with the fragrance of life  
Summer married winter  
Beauty left forever  
Now withered Mary just stares and cries  
She don't care just know your only human  
She don't care she'll call some other day

I know there'll be a time for desolation  
I hope that she can hold off until another day

Samuel was a poor man  
But how he loved his babe  
Rich with love and happiness  
Death cast down it's shadow  
Took his loving sparrow  
Now Samuel bleeds for his life to end  
She don't care just know your only human

I know there'll be a time for desolation  
I hope that she can hold off until another day  
But i can't complain I can't complain  
Today's got no pain  
I can't complain I can't complain  
I'll just close my eyes when night comes and I'll pray

Twilight breaks the silence  
Dreams cast into hiding  
I wake up to a brand new day  
I sometimes start to worry  
Realize that morning brings me closer and i say  
She don't care She don't care just know you're only  
human

She don't care She'll call some other day  
But i will keep on running  
I will keep on running  
I will keep on running  
I will keep on running until i can run no more
