#### I Hate Love Lyrics

I hate the mornings  
Cause I know what they bring  
You get up and take a shower in no time, your leaving  
And it sounds so selfish  
But I can't help but think  
That if you knew how much I needed you  
You'd stay cause

I hate goodbyes  
I hate these tears in my eyes  
I hate myself for the way I feel about you everytime  
I've had enough  
I'm sick of wishing he was around me every day, every  
night  
It's way too much  
I hate love yeahhyeahhh  
I hate love yeahh woوو

I hate your phone calls  
In the middle of the day  
Cause all you do is remind that my baby is so far away  
It drives me crazy  
Cause I need you with me  
I know it's time for you to understand when I say that

I hate goodbyes  
I hate these tears in my eyes  
I hate myself for the way I feel about you everytime  
I've had enough  
I'm sick of wishing he was around me every day, every  
night  
It's way too much  
I hate love yeahhyeahhh

I don't want to feel this alone  
Everytime you walked out that door (I can't help it)  
I start missing you (I can't help it no)  
Wish I didn't need you this much (I can't help it)  
But I love how it feels when we touch

I hate goodbyes  
I hate these tears in my eyes  
I hate myself for the way I feel about you everytime  
I've had enough  
I'm sick of wishing he was around me every day, every  
night  
It's way too much

I hate goodbyes  
I hate these tears in my eyes  
I hate myself for the way I feel about you everytime  
I've had enough  
I'm sick of wishing he was around me every day, every  
night  
It's way too much  
I hate love  
I hate love  
I hate lovea
