Iâ€™ve been walking through this wasteland for days. But
it feels like forever.

We both knew this would get harder before it gets
easier.

This what made us feel alive. Can we make it through
tonight?

Iâ€™ll be damned if Iâ€™m the first to say goodbye.

Every kiss feels like the first time.

Iâ€™ll be damned if Iâ€™m the first to let this die.

Every touch feels like the first time.

This whole time I never knew this was a disaster
unfolding.

This whole time I had thought we were safe.

Now I donâ€™t know if weâ€™ll make it out alive.

This is devastation, is this what you wanted?
I hope you feel alone, cause you asked for this.

Iâ€™m a sick man but youâ€™re still sane.

I was the one you placed with the blame.

Iâ€™ll go to hell, youâ€™ll go to heaven.

No one there would ever let me in.

You held the devilâ€™s hand as you told me your lies.

Iâ€™ll be damned if Iâ€™m the first to say goodbye.

Every kiss feels like the first time.

Iâ€™ll be damned if Iâ€™m the first to let this die.

Every touch feels like the first time.
You held the devil's hand as you told me your lies.
