Just Don't Eat What You Can't Spell  
by Bawb (Bob) Pearce

Jambalaya, poisson Veron'que  
I could eat that ev'ry day  
Pot-au-feu or just french fry  
A little greasy-taste just right  
Don't have to parlez vous Francais  
Long as you got the Beaujolais  
After that it's hard to tell  
Well, just don't eat what you can't spell, well, well  
Just don't eat what you can't spell

Just don't eat what you can't spell  
Just don't eat what you can't spell

Crawfish pie and the ol' gris gris  
They got it all down in New Orleans  
As long as you got the etouffee  
Ev'rything, ev'rything gonna be okay  
Don't have to parlez vous Francais  
Long as you got the crÃ"me brulee  
If you don't trust your sense of smell  
Well, just don't eat what you can't spell, well, well  
Just don't eat what you can't spell

Just don't eat what you can't spell  
Just don't eat what you can't spell

Go to school, learn your alphabet  
What's in the gumbo, ya can't forget  
Time for lunch, got nowhere to go  
You better stay away from the fais do do  
Don't have to parlez vous Francais  
Long as you got the Beaujolais  
If you don't like it spicy as hell  
Well, just don't eat what you can't spell, well, well  
Just don't eat what you can't spell

Just don't eat what you can't spell  
Just don't eat what you can't spell  
Just don't eat what you can't spell

Just don't eat what you can't spell

Just don't eat what you can't spell (x5)
