Soul Kiss

by Bawb (Bob) Pearce

Chorus:

All I need is a soul kiss

Somethin' sweet

Somethin' sweet I just can't resist

Just a simple reminder, baby

Of what I'll miss

'Cause all I need, all I need is a sweet soul kiss

The alarm it rings so early, baby

Enough to wake the dead

Don't want to be in a hurry, baby

I'd rather stay in bed

Give me back the covers, baby

I'll pull 'em over my head

Now's the time for lovers, baby

I'll stay right here instead

And when it's time for lunch, baby

I'll meet you here at noon

Ah, when I want you this much, baby

I can't be home too soon

Turn off the oven, baby

I'll meet you in the bedroom

Now's the time for lovin', baby

You put me in the mood

Chorus

I get home late from work again

And I feel you in the dark

When the fire is burnin', baby

You always are the spark

You're not like any other, baby

And I hope we never part

I wanna be, I wanna be your lover, baby

And hold you in my heart

Chorus

'Cause all I need, all I need is a sweet soul kiss
Woh, yeah, baby
Just a sweet, sweet soul kiss
