I know it seems like years but baby girl we; ve been
waiting
And you know just what they say,
Love takes time,
Now I can proudly say with no doubt that your mine
I'll give you the finest
Baby be my lioness
The reason for my pride, every other girl behind us
I'm blind to the haters
But they help to remind us
I'm so lost in your love
That Columbus couldn't find us
The swagga of a queen
Your heart is my pillow and loving you is my dream
If I got you I would never lose steam
No matter how Dark the world gets as lonel as it seems

Chorus

They wonder how we do what we do
Your love is a drug and I can't get enough of you girl
