My heart keeps racing  
Now I'm out of breath and suffocating  
I'm suffocating  
But ever since you caught my eye  
I feel like air is so out of date  
And I can't stop this blood from boiling  
Take me faster 3, 2, 1 let's go

Adrenaline in my veins I feel no pain  
Adrenaline in my head she takes me to  
A better place I've never been

We're chasing red bulls after taking shots it's 3 AM  
It's 3 AM  
I hope there's someone sane in this joint  
I can't tell if I'm up or down  
And I can't stop this endless madness  
Take me faster 3, 2, 1 let's go

Adrenaline in my veins I feel no pain  
Adrenaline in my head she takes me to  
A better place I've never been

Oh she takes me high, she takes me high  
Oh and I can't come down, I can't come down anymore

Adrenaline in my veins I feel no pain  
Adrenaline in my head she takes me to  
A better place

Adrenaline in my veins I feel no pain  
Adrenaline in my head she takes me to  
A better place I've never been

Adrenaline
