## Verse 1

Have you ever felt scattered or lost all control?  
She can pick up the pieces and change it all  
Have you ever felt speechless where no line could  
describe?  
All the feelings we've shared, now I feel so alive

## Pre-Chorus

Because I feel weightless around you  
Tongue tied because I'm falling for you

## Chorus

So take all that I have, I'll give it to you, oh  
All I want is to be with you  
Stay wherever I go I just want you to know, oh  
I don't want to live without you

## Verse 2

Have you ever felt sleepless and can't close your eyes?  
She's the one in your dreams that gets you through the  
night  
And when you are around her always show her you  
care  
Hold her tight, just believe that she will always be there

## Pre-Chorus

Because I feel weightless around you  
Tongue tied because I'm falling for you

## Chorus

So take all that I have, I'll give it to you, oh  
All I want is to be with you  
Stay wherever I go I just want you to know  
I don't want to live without you

## Pre-Chorus

Yeah I feel weightless around you  
Hold on while I rap my arms around you
