### Verse 1

I know the last thing you want is a scandal  
And I'm just too much for one girl to handle  
So don't come running back for more  
I told you from the start I'd walk right out the door

### Pre-Chorus

I'm in the business of making you move  
I'm a bad habit girl, you can't have it girl  
I'm the boy they warned you about in school  
Don't say I didn't warn you, don't say I didn't warn you

### Chorus

Stop girl, turn and run  
I know you like what you're seeing but my looks are  
deceiving  
Stop girl, turn and run  
Just give it, give it, give it, give it, give it up

### Verse 2

You tell me all that you want is to see me  
But breaking hearts is the last thing I'm needing  
So keep your hands of me tonight  
You need to be at least this tall for this ride

### Pre-Chorus

I'm in the business of making you move  
I'm a bad habit girl, you can't have it girl  
I'm the boy they warned you about in school  
Don't say I didn't warn you, don't say I didn't warn you

### Chorus

Stop girl, turn and run  
I know you like what you're seeing but my looks are  
deceiving  
Stop girl, turn and run  
Just give it, give it, give it, give it, give it up

### Bridge

I can't speak but I can sing  
You'll never be my everything  
I can't speak but I can sing

I'll never be your everything

Chorus

So stop girl, turn and run
