When I first saw you
My eyes twinkle like a star
When I first met you
My heart is falling down

Refrain:

I wanna hold you
I wanna be with you
But I don't know what to do

Chorus:

You're just like a star
I can't hold, you're so far
You're just like a sun
You light up my whole day
I've been crazy when I'm thinking of you
Coz' your the one I dreamed of...

Ohhhh...

When we seat at the bus station
I asked you if you were okey
When you said you were fine
I don't know, what I am next to say

Refrain:

I wanna hold you
I wanna be with you
But I don't know what to do

(Repeat chorus)

I want to tell my feelings for you
But when I'm infront of you
I have no words to say
But my heart always says
That I love you...

You're just like a star
I can't hold, you're so far
You're just like a sun
You light up my whole day

I've been crazy when I'm thinking of you...

You're just like a star
I can't hold, you're so far
You're just like a sun
You light up my whole day
I've been crazy when I'm thinking of you
Coz' you're the one I'm dreamed of...
You're the one I'm dreamed of...
Coz you're the one I'm dreamed of...
