### Class A Moron Lyrics

You're a, you're a, class a moron  
You're a, you're a, major fucked up x2

Your brain is so full, so full of shit  
And we just won't take it  
When you open your mouth, out comes manure  
I feel like i want to get sick on the floor

You're a, you're a, class a moron  
You're a, you're a, major fucked up x2  
When you are so dead and gone  
You won't be fucking up my fun  
No more throw-ups down on the floor  
'Coz i don't have to see you no more

You're a, you're a, class a moron  
You're a, you're a, major fucked up x2

### Solo

You're a, you're a, class a moron  
You're a, you're a, major fucked up x2
