Dead And Gone lyrics

I have to see if you're ok
I have to know it everyday
I hang my head in sorrow
So i could know it not tomorrow

Even if i know you today
I have to know it everyday
So i can feel alright

Everyday's all the same
I don't care about the days
So i need you to stay with me

I can't wait until tomorrow
Tomorrow i will kill you
I don't care about the sorrow
Tomorrow you're dead and gone

I have to see if you're ok
I have to know it everyday
I hang my head in sorrow
So i could know it not tomorrow

Even if i know you today
I have to know it everyday

So i can feel alright

Everyday's all the same
I don't care about the days
So i need you to stay with me

I can't wait until tomorrow
Tomorrow i will kill you
I don't care about the sorrow
Tomorrow you're dead and gone

Even if i know you today
I have to know it everyday
So i can feel alright

Everyday's all the same
I don't care about the days
So i need you to stay with me

I can't wait until tomorrow
Tomorrow i will kill you
I don't care about the sorrow
Tomorrow you're dead and gone

Yeah, tomorrow you're dead and gone
Yeah, tomorrow you're dead and gone
