I thought I know you much better, seems you  
Proved me wrong.  
I never dreamed I could live without you, now my  
Dreams are gone.  
Funny how the hands of time can wash away this  
Pain of mine,  
I think I'll be just fine.  
Chorus:  
I'm getting by, life ain't so bad without you.  
I haven't died, just like you thought that I'd do.  
Now I know just where I'm going, no longer  
Blinded by your charm.  
I figured out though I may stumble, I will not fall  
Into your arms.  
Even though I'm all alone I will not sit here by the  
Phone,  
I think I'm doing fine.  
Bridge  
I would never get you out of all my thoughts, my  
dreams, my head, your wrong.  
It didn't take that long.
