I Think IÂ´m Going Crazy lyrics

You always keep on telling me
What to think and how to be
I canÂ´t take it one more day
I need a break, i need to get away

Shut up, shut up x2
I think iÂ´m going crazy

Shut up, shut up x2
I think iÂ´m going crazy

You tell me that you know, the right from wrong
I canÂ´t stay, where i donÂ´t belong

I canÂ´t make it, by myself
I donÂ´t need, anybody fucking else

Shut up, shut up x2
I think iÂ´m going crazy

Shut up, shut up x2
I think iÂ´m going crazy, yeah

Shut up, shut up x2
I think iÂ´m going crazy

Shut up, shut up x2
I think iÂ´m going crazy, yeah
