[Verse 1: Danny Brown]

I popped a E pill and it taste like some oil sheen  
Flow boiled goya beans  
Gasoline in saline  
Red lining red beams  
Fed timing round OGs who you ain't snitch nigga  
Everybody know you just snitch nigga  
Heart rate adderall got me on some stargate

Pacing, smoking lucys back to back  
Car chase, monopolize, 'bout to take your park place  
Shark face bite the style but these niggas second rate  
I cannon bombed in the pool of fuckin' rap and I  
splashed on these niggas  
Head first no depth nigga  
That's why I'm black nigga  
Cause ya'll whack nigga  
Met Alchemist '07 in miami  
Fifty K jewels on nigga ask 'em about Danny

Now I'm on some bruiser, hair looking yakuza  
Jeans extra tight and ya bitch got a ruler

[Verse 2: Schoolboy Q]

Shimmy shimmy ya, shimmy yeah, shimmy you  
I guess it's time to kill this shit  
Real as this, game fears  
Put in work, determined I been the fierce  
Me gettin' it up is limitless  
Before I started eatin' pussy I was hittin' licks  
Two elevens on bitch niggas, whipped in with antennas  
Didn't your momma tell your ass not to hang with them  
gang members?  
Didn't listen, head missin', flatlined he groove lined  
Bad twins they too fine, dummy stay on my mind  
Most shots at?, six is my gat drive  
Click click, reload mine  
Green light, no stop signs  
Hey Danny, let's shoot these fuckin' Xannys  
And call that bitch from Kendrick's song I bet it all we

fuck on Tammy  
Ask my pumper, hand prints all over her bumper  
She love me long time, I'm forever that motherfucker  
Smokin' keepin' my cool  
Black Hippy the new school, Q
