Look's like your memory need refresh'n
you couldn't do me if you were doing an impression

Maybe i should just press charges for swagger deaf
you faggots' deaf if you can't hear, i'm hot as dragon's
breathe

nah i'm pass hot, im the sun's mascot
When snacks on deck im at your neck like an ass scot.

Its low so, she all ready knows so

I said ok good, tell that other ho so.

I say Wussup son, You wussup son
They say your swagger on viagra keep it up son

Ball'n is key, we start the engine with buttons
This player be limp'n call an injury sturtin
