#### Verse 1:

Baby tonight  
I'm gonna show you what it means to love you down  
Feeling alive,  
When you're by my side nothin' matters cause

#### PreHook:

With you I'm on the moon  
Shinin' like star  
Could it be too soon  
But we've made it this far  
We gonna paint the town  
Turn on the lights  
Maybe drive away  
If you're down

#### Hook:

So Baby Let-Let's take a ride  
Where ever you like  
Me and you tonight  
Let's go far and wide  
With you by my side  
Everything's alright  
As ---Long---as--  
It's U N I  
U N I  
It's U N I  
U N I  
(U N I)

#### Verse 2:

Let me tell you a story  
About this Pretty girl  
I loved the way she moved and the way she rocked my  
world  
I had to make her my baby  
Nothing could go wrong  
She was the only one for me

And I knew it all along  
She is my light in the dark  
My little Sunshine keeping me warm  
She makes me go  
Oho oh oh...

Bridge:

And it seems like I'm fallin  
And I can't fight this felling

BreakDown:

Baby U N I will be together  
And we'll make it last more than forever

Hook:

So Baby Let-Let's take a ride  
Where ever you like  
Me and you tonight  
Let's go far and wide  
With you by my side  
Everything's alright  
As ---Long---as--  
It's U N I  
U N I  
It's U N I  
U N I  
(U N I)

Verse 3:

You showed me the way  
Being with you made me the man I want to be  
And Everyday  
We spend together is a blessing Cause

PreHook:

With you I'm on the moon  
Shining like star  
Could it be too soon  
But we've made it this far  
We gonna paint the town  
Turn on the lights  
Maybe drive away  
If you're down

Hook:

So Baby Let-Let's take a ride

(let's take a ride)

Me and you tonight
