"Bitch Scream"

You think you got a gold twat
But slut your stinky like an old sock
Now suck that dildo like a blow pop
Up and down like a robot
Your diary's filled with inquires
Of you suckin cocks entirely
fuckin you's like boxin violently
jabbing the clit stabbin the shit
gaggin the bitch with a slit that's got crabs in it
full of veins like a faggets dick
let her hang from her tits
on a hook sharp like a shank with a grip
yankin them right off with a skanky trick
open her mouth then she drank my spit
you get 200 frankfuters slipped in you then gang-bang
in your pit
I've got you under pressure to use your body for
pleasure
Don't be snotty I'm a professor in trying to undress ya
I'll put a spell on you
have you suckin my dick and workin the bordello to
covered in sticky yellow goo
You being celibate is through
Your mind is irrelevant you'll listen to everything I tell
you to do

[Hook]

Watch these street villains get all up in your guts
Butcher knife attached to my dick to cut it up
Blood lubrication makes it easy sliding up
They want their nipples bit bitch scream
Shank you in your face if you don't give me pussy bitch
They want their nipples bit bitch scream

[Necro]

Yo I'm all about nipple suckin'
Clit lickin honest to goodness
Dick in cunt pumping fuckin
Triple x pussy lip stretched
As she drips wet your cunts hot
cause hunk's got a tree trunk cock
a shiney pink knob for stink slob
I'm delving into your velvet soft pelvis

like dumpin a clit
blastin my dick humpin a chick
pumpin with my balls jumpin against your clit
insert the meat
then my hot spunk is squirted deep
I'm a perverted creep your twat is too hot
I can't believe the lips you got
the type of lips that could grip a cock
like the mouth of a pit is equipped to lock
fuck a fake bitch I'd rather have a girl with tiny lil' cup
cake tits
I'm on some duct tape shit tape you up but naked
the shit I'm gonna do to you in unsacred
Like a sadist rapist I'm like prostitution in Vegas

[Hook]

Watch these street villains get all up in your guts
Butcher knife attached to my dick to cut it up
Bold lubrication makes it easy sliding up
They want their nipples bit bitch scream
Shank you in your face if you don't give me pussy bitch
They want their nipples bit bitch scream
