[INTRO]

It's only illegal blood(??)
you know where it's out(??)
don't get angry

[CHORUS A]

I got the butcher knife to take your fuckin' life
I got the butcher knife to kill your fuckin' wife
the butcher knife gets fuckin' used when Necro cooks
you
take the butcher knife end up on your backside and
joox you

[VERSE 1]

with the water from my teapot your bone ??? I'm
scorching
clock me with caution 'cause my evil I inflict misfortune
my dick in a bitch's stomach subdominal terror
I fuck Necrozillions bitches like that nigger Joey Silvera
I kill fags through the S&M magazine ???
I'll squeeze your kidney and make you drink fuckin'
urea
in a dehydrated nigger's mouth I dismiss piss
I'll be like Scrooge crucifyin' Jesus on fuckin' christmas
bitches like to use my fuckin' dick anally and orally
I invoke evil and harm 'cause I'm bad morally
I'll fuck a dead body that stinks
yeah Sodomania made me rape Tiffany Mynx
I went to Satan's palace and drank(?) off from a tallis(?)
bitch so suck my motherfuckin' phallus
when I do a gore bit I get morbid
I bust out with the chainsaw kid 'cause I'm a sick kid like
Mordred
I put your flesh on my table and take a bite quick
I fuck female cops so I open infested nightsticks
from your jacket I'll strangle you with the fringe 'cause
I'm a teenage rapist like Alex from A Clockwork Orange
and motherfuckers I warn ya
I'm killin' more rednecks than that nigger from fuckin'
California
you got the fucking string cunt
don't try to pull it 'cause you ain't married bitch and this

ain't Amy's(?) vicious bullet
you'll lose more than your lips with your clitoris in my
fridge
bein' a victim of Joel Rifkin would be a privilege
'cause I'll do worse to kill you when I rape you with the
Tanto knife
your fuckin' fate'll be worse than revenge on Bobbit's
wife
picture this off the concrete sanitation scrapes you
you'll be Grateful like Dead if Tyson's the one that
rapes you
you wish you had Momma(?) ??? fate(?)
bein' able to walk away with stitches instead of
enslaved and depraved
waiting to be tortured by Ralphus(?) and sow(?)
doom(?)
are you willing to accept me as your master

[CHORUS A]

I got the butcher knife to take your fuckin' life
I got the butcher knife to kill your fuckin' wife
the butcher knife gets fuckin' used when Necro cooks
you
take the butcher knife end up on your backside and
joox you

[VERSE 2]

I spit in the motherfuckin' face of Vietnam cripples
I torture you by electrocutin' you through your nipples
I chop ??? Paul(?) 'cause I'm not into shemale singers
I play backgammon with chopped off female fingers
I soak up your blood in my sponge
I went to the village to cause pillage and rape bitches in
the grunge
who wants to get molested with a nine
I'll chop off Mick Jagger's lips and sow the flesh onto
his spine
now I'm feelin' the effects of the acid stamp
I'll throw all the faggots in New York in a concentration
camp
any bitch I ever dated I left degraded
so pity I fucked the bitch after her leg was amputated
I'm gonna rip out the silicone from your boobs
today you're attached to tubes tomorrow you'll be little
cubes
like uncle Howie I sell soap for crack
I'll take the blood out your body spit in it and put it back
I'm The Necrophiliac I'll make your brain form a
calluses
I stab you in the kidney so now you're on dialysis
I'm cookin' bodies and blood I'm steady sturrin'

while my dick is in your mouth and you're swallowin' my
fuckin' urine
I'm grotesque I'll fuck your dead body on a desk
from dried cactus I make mesc I jerk off to molest
Necro murders like the brain THC denses
I'm negative extremely offensive to the senses
foul my gory(?) words are sold(?) for mild
I get pleasure from molesting and raping a Latsky(?)
child
in the room there's an odor of piss smelling sulphur
the pungeant stench is coming from your fuckin' vulva
while I molest and suckle milk from your breast
beat(?) pumas(?) makin' sure that the fuckin' lungs
infest
when I fuck up my bitch on the street no one stops me
no one blames me when I'm responsible for her biopsy

[CHORUS B]

I got the butcher knife to take your fuckin' life (I get
away with murder)
I got the butcher knife to kill your fuckin' wife
punk bitch if you think you're thrife
you'll get jooxed dead when I reach for my waist and
(pull a butcher knife)

[INTERLUDE]

[VERSE 3]

if I don't like the way you're glimpsin' you'll be destined
to lie in a pool of fluid the shade of crimson
the red pulp in your stomach stops before dawn
leaving your lifeless carcass a home for Lucifer spawn
In a circle of burning candles urging some censoring
your throat I broddle to stop any aforementioneding
I eat the muscles and fats off your joints then I sacrifice
your motherfuckin' corpse on a star with five points
I raped and sodomised Yentl
I keep the skulls o' the niggers I kill because I'm
sentimental
peeping glancin' I'm out of it like Manson
when you're fuckin' dead I'll be cheerin' like Ted
Danson
prancin' all over your grave I'm snickerin'
go to the house o' the dead and foul shit I'm bickerin'
'cause I'm sicker than a Beretta
slit your moms throat while she's fuckin' me so her
seizure makes her riding better
let 'er die getting fucked
better than to die getting bucked and then chopped up
and then fucked
and then chucked out the window for the neighborhood

muts

I'm killin' neighborhood sluts who happen to be muts
my vocabulary's 'quiped to show Necro's knowledge
'cause I fuck the smart mouths and brains of kids I kill
from college

I love to examine a woman's mutilated salmon
locked up in the laundry room bitches learn the
meaning of famine

starvation suspended animation

frozen beneath the lake eyes flood for devil's sake(??)
no signs of life after being jooxed with the kitchen knife

I kill cinically so niggers are dead clinically

by jerkin' off I got strong deadly tentacles allowin' me
to rip out your fuckin' right and left ventricles

I love to molest a skin double headed dildo up the
pussy and ass creates bloody estrogen

I'll asphyxiate the backbone of a vertibrate I got no skin
I got a fuckin' exoskeleton

so try to stab me and your knife will dull up 'cause
Necro drinks the blood from a sphynx in my skull cups
demons exist once the ovaries hatch

I got to light a fluid you'll be burnt once I light the
match

eat the snatch between a shemale's legs I stick my
head in a fuckin' cunt and eat a female's eggs

Necrophiliac is way more foul than Mick Jagger's dick
goin' up Geraldo's mouth

[CHORUS A]

I got the butcher knife to take your fuckin' life

I got the butcher knife to kill your fuckin' wife

the butcher knife gets fuckin' used when Necro cooks
you

take the butcher knife end up on your backside and
joox you

[VERSE 4]

if you try to rob me you'll be blood Redford like Robby
better hope like Bobby I don't shoot your ass in the
lobby

it's my hobby to collect brain boxes I raise foxes

I'm obnoxious I stick dildos up female oxen

drink my cock's piss and eat my asshole's shit

Necrophiliac is motherfuckin' Satan like Sonny Stitt(?)

comb out every nit after the Quell shampoo

I fucked Sean(?) Day's(?) dead corpse it was the
sweetest taboo

your fetus I chew my head in your cunt and lots o'
blood squirtin'

it's big trouble in little vagina like Jack Burton I mean
Wayne Cock(?) God(?)

your pants are dirty old man
hit the fuckin' fan 'cause I roll long blood infested man
if you try to play the hard role like your name was Rocky
I'll throw you in my dead bodies shreaded 'til your
mushy like ???
murder Miyagi with a wax off to his cranium I'll squirt
the fuckin' chainsaw with the blood of Michael Damian
I'm evil like the god Loki I eat undercover cops so I put
a dum dum in ???
I went to ??? for a ??? on Tony ???
my name is Ronny I eat fuckin' bloody punani

[CHORUS A]
