Welcoming the virgins fair, to live a noble life  
In the castle known to all - the Count's infernal wife  
She invites the peasants with endless lavish foods  
But, when evening spreads its wings, she rapes them of  
their blood

All day long the virgins sit and feast on endless meals  
The Countess laughs and sips her wine - her skin doth  
crack and peel  
But when nighttime fills the air one must pay the price  
The Countess takes her midnight bath with blood that  
once gave life

Living in her self styled Hell, the Countess dressed in  
black  
Life's so distant - death's so near - no blood to fury  
time back  
The castle walls are closing in, she's crippled now with  
age  
Welcomes death with open arms - the reaper turns the  
page
