### "Eucharistical Sacrifice"

Visit "[Eucharistical Sacrifice](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Rebirth of the "magick"  
In macrocosmical reign  
Archetype of the circle  
Vibrations of the heavenly names  
The ancients are one  
Unite by the fathers of time  
Out of the mirror  
Await the spirits revive

[Chorus]  
Eucharistical... sacrifice  
To heaven gates  
Sacrifice!

Glorified by the last storm  
Atlantis arises  
Yperborea's birthday  
Reflect in cabalistical eyes  
Shapeless chaos  
Re-enter perpetual illusion  
Superior vegetal  
Ostiary turns to salvation

If I come, to fall in error  
When the jackal's freed from the cage  
Let the carrion, sound in horror  
New glory in one thousand flames  
Pranayama, calms emotions  
End it now, tomorrow's will  
Iron lungs, for mechanical pressure  
The atomic cults of... fear

Soul search - destructive race  
Emulation denied  
Universal altars burn  
Dead stars enflamed  
Break crania - dreadful depths  
Eternity dies  
The child in golden eggs  
Enochian key's mine!

[Repeat 1st verse and Chorus]
