"Every Second Someone Dies"

Visit "[Every Second Someone Dies](#)" on MotoLyrics.com

Every second someone dies Someone just died
Another one's dead and again someone just died(2x)

If you step I'll bring death to your rep don't get drunk
kid and talk shit
You can't walk I wouldn't hawk I put a fork in your throat
I stalk
At midnight I had a sick fight this kids forehead was
split open with goreage
I felt like I was trippin awake for 48 hours
Like a snake slithering your death is riveting
Get kicked int he face with 20 feet
10 of my peeps stompin your grill 'till your flesh is
embedded in the street
My death rap will get you cats pumped end up in the
back of a trunk
And your body is blended up into chunks
My mental is morbid I'm on some horror shit
My instrumental absorb it you'll get ripped off it

Every second someone dies Someone just died
Another one's dead and again someone just died(2x)

I aquired the habit of a rapper fired jabbin and stabbin
the funeral pie you're
a faggot
You should admire, you could expire
Cuz if you fake the crooked or look in the trier I'll put
you on fire
Chop your squat stomp your heart
You don't wanna get beat then repeat EVERYTHING
NECRO DROPS IS GOD
I've beens ent to hell can't imagine a day
When everything went well
You'll do as I wish or you'll be covered in my piss
Your blood was discovered in a ditch, shakin the rubber
with your mother's tits
Fuck a hundred rhymes you wrote, my one verse will
grab you by your throat
Get the mediocracy choked
Out of you kd there's no democracy when you're yoked
Strangled with no cops in sight in the box you were

poked
I feel complete satisfaction
BEating your ass untill you're bleeding and gasping
Cuz the words oyu were repeating were asking
I'm competing with Manson for the throne of all sickos
Shit's the cretin's anthem

Every second someone dies Someone just died
Another one's dead and again someone just died(2x)

Ecsetera(8x) every second someone dies
