P.Flow (Ft.Necro And ILL Bill,Uncle Howie)
Brutality Part Two

(P.Flow) Verse 1:

I Chock you with a robe
and throw you the ocean
as you die i just laugh 'cause got no fucking emotions
i know you think am joking
'cause am joker?
but not when i drink a potion
i become a mad doctor.
that burns you in hot water
like cookers do crabs in red lobster.
imagine the pain
the insane
mental massanger with no brain
blood spraiys like rain
like the chainsaw massacker.
sawing true your vains.
creepy noise
i hear voice
killing little kids
by giving candy filled poison
the face color int the same
got a major migrane
i dont feel shame
little girl dies
and i get all the blame.!!!!

I Used To Be Nice
Now I Kill People!
The life seems like The Good turned Evil
