(repeat 5x)

[necro]

Motherfucker you know the deal, i'ma rap on this porn
shit

So yo! suck it

I lounge gettin blown by pj sparks at key west
I need breast like sahara needs a hiv test
I'll hit that pussy up with a nasty attack
Get on your knees like your looking for the last piece of
crack

Filthy like al louis, jerking off at seventy
Or senerity, swallowing my twenty inches of obscenity
I'm paying a good buck
So slut, you better fuck as good as you look and suck
as good as you fuck

When it comes to this porn shit you know who the
master is

Bitch I'll leave necro tagged on your ass with jizz
Sex in the ninteys without a rubber? yo! thats dead
I like skinny bitches but debbie diamond looks like a
crackhead

Porn is infested with obscene woman ? ? ? ? the real
word of bom'

Im a psycho she male version of gene simmons
I'll fuck you in your shitter

Through your panties, you be making mad noises
Dressed up fancy smancie, screaming out like a
banshee

Inside a basement somewhere close to delancie
Where the corner is infested with hookers that look like
brandy

When it comes to this porn shit yo! nothing new to me
So yo! dion tell them what you fucking do for me
