Doo doo sluts, uhh  
The sex-pert.. check it

[Necro]

I'm pulling off your blouse  
Start tongue kissin you and then I cough in your mouth  
Walk in your house  
and slaughtered the mound of your daughter or  
spouse  
Have them snorting an ounce  
'til they are walking on the floor on all fours like a  
hounds  
Walk in the fuckin ladies room and penetrate her womb  
While the hookers sprays her perfume, demonstrate a  
broom  
You hoes will choke, when you float my boat  
My cum will coat your throat like the milk from a goat  
Put my notorious dick in-between your glorious tits  
Wanna know a +Secret+ I'm suckin +Victoria's+ clit  
My tongue got you on some state of euphoria shit  
Fuck you with my warriors fist, is who a bitch?  
And screamin like a horror flick  
when I put my dick where the bitch's manure sits  
I slide through like shit  
And all you fuckin wenches that love to French kiss  
You love the drenching stench of men's piss  
You find it adventurous  
takin like ten dicks right in your appendix  
What bout my Jimi Hendrix?  
It's my press kit, dead sick  
Fuckin a chick with an asbestos covered breadstick  
The sleaze..  
I'll grab the ass of the neighbourhood skeeze  
and give a good squeeze  
Holdin your head, with both of my hands, as you suck  
I could snap your fuckin neck if you say you ain't down  
to fuck

(Chorus: Necro \*singing\*)

Your cunt looks so good and my dick is ready - Hoe  
Blow!

I splatter my scum on your face I'll be squirting steady -

Hoe Blow!

Your cunt looks so good and my dick is ready - Hoe  
Blow!

I splatter my scum on your face I'll be squirting steady -  
Hoe Blow!

[Necro]

I'm havin crazy adventures with a fuckin dirty pair of  
wenches

Walking in trenches, naked with sick intentions

I'll pimp your fanny in a pair of skimpy panties

Don't give a fuck if you got a cunt, or you're a stinky  
trannie

I'm dead blunt - I need a dripping wet cunt

You easy flirt - I look right underneath your skirt

Squirt a drink on you slut, so you relieve your shirt

Now I can see your pert tits that'll be dessert

Finger your slit, feel my knuckles hit your clit

I bit your tit, swallow my cock now spit on my dick

I'm in control when I'm in your hole

Hooker you better get fucked by me now before your  
skin is old

Plus your ass gets crooked too

So lay down on the fuckin floor so I can get a better  
look at you

Obeys the master hoe, finger your rancid asshole  
with that plastic pole - do as you're told

(Chorus)
