I'm like Howard Stern, devour you verbally  
Like a powerful attorney leave a coward burn internally  
King of All Media, whip my dick out and piss on you  
Wicked when I kick it  
Look me up on Wikipedia

Chorus x2

My weiner's got an itch for a snobby bitch  
Something only an Angelina blowjob can fix  
She got the lips made for slobbering dicks  
Brad Pitt got it made  
Make her eat shit off a plate  
Then chop her clit off and earn some Bobbitt shit

Titallating Kate Middleton  
Rumor is she got a tumor make her gimmie brains  
For a little Ritalin  
It's terribly vital  
to stab a pool stick up Paula Abdul's culo like Abner  
I'm America's Idol  
Fuck Michael and his pedophile girl behavior  
Conrad Murray did every child in the world a favor  
If he was living he'd be taking Justin Bieber's nookie  
Stacy Kiebler's pussy  
Taste like Kiebler's Cookies  
She's Italian but I'll put some Hebrew in Snookie  
Sookie Sookie now when I dookie  
Gibson should play a Holocaust victim slaughtered  
He hates jews  
I'll put my Jewish dick in your daughter.

Chorus x2

Kim Kardashian's a relationship car crash  
I'd like to fuck her gargantuan ass  
Bite it like a tarantula  
Smack it with a spatula  
Stick a gun in let the gat go blast  
and dispose of it like yard trash  
Kristin Stewart I insist that we do it  
Fist you with a pistol

Make you chew it then drink piss fluid  
Tweaked on Adderalls  
Make her choke on fat balls  
Poke a hole in Nicole from the Pussycat Dolls  
Whitney went beserk on a packed flight  
She lost it  
Cuz she can't find a crack pipe  
She lost it  
Free Hinkley and Manson  
Let them out the damn cage  
I wanna see both of these guys go on a rampage.  
Michelle Obama gives head like Belladonna  
She looks like a female gazelle cross-bred with  
Michael's llama  
Megan Fox is begging for cocks  
Ill get her pregnant spread her legs and hatch the eggs  
in a box

Chorus x2  
The King of Howard Stern
