It starts with a kiss, put your lips to this.....  
I see those bitches rocking, through the scope of my  
sniper rifle,  
I shoulda brought the Uzi those diesel dykes are fucking  
frightful,  
If only they were hot, that shit would be delightful,  
Those mud-flaps are terrible, I've got a scalpel  
Slice and dice so I can eat it with an apple

Chorus

I see her munching on the rug, she'll be eaten steadily  
The other bitch will be cumming readily,  
I'm a homophobe, pop two shells,  
Drop'em like dead meat

I followed these bitches home, all the way from the  
skydome,  
There they were makin' out, here they'll be taken out,  
After being eaten out, and beaten out.  
Cause I'm a Beat Officer, and I'm on patrol,  
Ready to roll, pounding your hole,  
Rocking your slot in a preschool parking lot.  
Yo, DJ McThuggalot!

[DJ McThuggalot]

-I love these hoessssssssssssss

Chorus

I used to date the blonde one, but I turned her gay,  
Now shes eating sushi, muffdiving down on the bay,  
Like two lesbos in a closet, they make a liquor cabinet,  
I pop out of that shit, stabbin' it, STABBIN' it!  
I burn the house down, like a bar-be-que of eaten  
mound,  
It burns to the ground.

Chorus

The desire to kill fulfilled, and I fulfilled those bitches  
After I killed 'em  
Llike a cum dumpster, I pummelled her,  
She was foaming at the mouth, and at the lips

So believe me when I say, 'put your lips to this'

Chorus

[DJ McThuggalot]

I love these hoessssssssssssss
