Let Me be Your One And Only..Lyrics

Date 7/10/10 Time: 11:59

By; Brandon Mason(b.mason) Alisha

Blakeney(lovelylady)

Hook

Let me be your one and only, I like the way you put it on me

Let me be your one and only, I like the way you put it on me, uhunn put it on me, uhhun put it on me.

Verse

Its like we been together for years I aint lying show times where we shine together keeping it real got money in the bank so we aint hurting for nothing stunting it like we should flossing it like we should she got her name on my back I got her name on my chain give her a up grade from a C to a A even though she makes mistakes I let her know its no problem she know I got her back and I know she got mine together holding it down hoping these haters see us flossing it through the town taken what ever token said it's hard to make it rich and it's hard to get uh dollar I show her a big stack and let her know we get it popping

Hook

Let me be your one and only, I like the way you put it on me

Let me be your one and only, I like the ways you put it on me, uhhunn, put it on me, uhhun put it on me

Verse

Shaty I can treat you like a queen introduce you to finest things that you aint never seen all in the same week I know you never heard of a thug showing you love but I can show you what the world be like if you let me take ya help you make it through the tuff times and that's real show you how to be a star and how to shine for your boy treat you like a house wife and make you cook for your boy take you to the mall so you can go and dress for your boy

Hook

Let me be your one and only, I like the way you put it on me

Let me be your one and only, I like the way you put it on me, uhunn put it on me, uhhun put it on me.

Verse

I wanna make it pop I wanna make it drop hitting every spot back to back non stop yo friends can watch or they can join in just like a movie it aint over to you see the end I got money to spend so what you wont is yours have ya neighbors complaining cause you making noise you say you like the game that I be spitting to you shawty but let me do my thang so you and me can get it shawty you say we not the same and both of us wont one thang a night full of passion squeaking that bed frame I got you dripping wet yo boy gone catch every drop you need some rest so take you time cause we aint gotta stop

Hook

Let me be your one and only, I like the way you put it on me

Let me be your one and only, I like the way you put it on me, uhunn put it on me, uhhun put it on me.
