(Uncle Howie)

Hey, this is Uncle Howie,  
I'm the master clone, the king of beasts  
The alpha male, I do not fail  
When I'm on the prowl,  
Yeah, I burn my bridges  
My balls got ridges

(Necro)

Brand new Necro (shouting)

(Uncle Howie)

Stop Being Greedy  
Buy some fucking cd's

reppin' the psychological street villains

(Necro)

(chorus 2x)

Y'all been eating long enough, Stop being greedy

(verse 1)

Morbid's my factual fate, anger developed in me at a  
gradually rate  
now my natural state, is actual hate  
every patrol man is my opponent, theres no postponing  
if your foamin' every moment, is my atonement of  
omens  
every species with a brain, can be sleezy and insane  
it is easy to obtain, anger splurgin' at the course  
like sweat galore gore, violent temples spite back to  
watch to catch you  
peep the blood red flow authentic necro, a rare skill  
ill like Linda Blairs grill take a bolt to drill repulsive

beautiful exit gore make-up latex  
wake-up Playtex, rockin' gay fuck, bitch with A-cups  
you need tits, I'll sew 'em on your spine  
you'll be blowin' on my nine  
blastin slugs of metal cum into your mind  
get yourself hurt, cause when I'm depressed you get  
blessed  
with brass knuckles leave you pussy thugs grotesque  
at best

(Chorus 2x)

(Uncle Howie)

This is Uncle Howie, stop downloading and start buying  
make sure you caught brutality pt. 1  
in September, like a bundle of crack
