Intro:

Man: "Uh, uh, oh yeah."

Woman: "I can't understand it. You can't be living just for sex. And only for sex. And nothing but sex alone. It's disgusting."

Man: "What is this bullshit you are talking about? The only thing worth living for as far as I'm concerned is a nice juicy, white, open cunt hole. This is the meaning of life for me. When I'm stuffing my cock into a nice, slimy pussy. The rest is all horse shit."

Woman: "Your sense of values are really impressing me."

Man: "Wait till I shove it up your ass. You'll see!"

Verse 1:

Thickness

Chocolate Quick flavored Swiss

Miss Chick

You're hip to lick my dick puss

Super cute

Respect your doodie shoot

Perfect booty

Your gluteus max protrudes

Wanna see your ass crack and nude

Slang quaaludes

Smackin' prudes that hang with gay dudes

You gold diggers are boogers

You won't pig out on my figures

Got you in mind control triggers

To most guys, you're unapproachable

To me, you're no better than a roach in a pool

My quotables are a notable in your book

And who gives a shit what you think?

You can croak

Well, back to the fact that your butt and your tits are immaculate

Slut, let's cut the shit and cut

Don't act you ain't wit' it

Admit it

You want me to hit it

You're attracted

I'm out there

Whip it out  
Come get it

Chorus:  
The girl is pretty kinky  
Yeah!  
I really love to taste her  
Hey, hey, hey, hey!!!  
The girl is pretty kinky  
Yeah!  
I really like to taste her  
Hey, hey, hey, hey!!!

Verse 2:

Be my Valentine  
Get you drunk off Ballantine  
Mad dudes fighting over you like Palestine  
This gal is fine as fuck  
Fuck you from behind  
The chalice wine poured on your D-cups  
Divine  
My spit games like Rick James  
This bitch got no shame  
She took it up her ass like Ving Rhames  
Dick covered in shit stains  
Make her give brains  
Run trains  
I live insane  
Never mundane  
I got swagger  
Red Bull gagger  
Dreadful bag over your head pulled down  
Shag her  
You're a magnet for attention  
A magnum condom was a great invention  
I thank 'em  
No holds barred sex  
But no Gold card  
You old whore  
Your body sold for a price  
You got a cold sore  
Getting hyper  
Having sex in the mirror  
Fuck a shady viper  
I need a lady tiger Elvira

Chorus:  
The girl is pretty kinky  
Yeah!  
I really love to taste her

Hey, hey, hey, hey!!!  
The girl is pretty kinky  
Yeah!  
I really like to taste her  
Hey, hey, hey, hey!!!

Outro:  
Oh girl  
Oh no  
Everybody sing  
Oh girl  
Oh no  
Hey, hey, hey, hey!!!
