Intro: Casino Film Samples]

You ever do anything like that I'm Il fucking kill ya,
pure and simple, you hear me? Pure and fucking
simple I'm Il fucking kill you, you little bitch, you
fucking whore

I'm Il sign anything you want me to sign ok. I just want
the key to my jewellery and I

Want you to let me go. I want you to let me go!

And what? And let you disgrace me? You fucking pig!

Sometimes I love you. Sometimes I hate you. But when I
hate you. It's cause I love you.

Out of all the broads I did it with, you got the best
chance of being committed

To a psychiatric ward, admit it

From Barbie to Bambi to Ambi and parties, arteries
clogged with drugs

You're a slob, your fathers pleased turned out into
burned retarded skeez

I bet you got a disease and when you fart it bleeds

You stoop as low as your self-esteem, let a rap group
hit you in the pooper for the team

Betty Boop have a jumpsuit up[?] jumping through
hoops

Not me, I'm Il pump you, bust my nut then dump you

Whoops! Use an infected heroin needle, kill your new
born foetal when you car crash like Don Cheedle

I wish this brutal verse on you cause you dissed me

when I missed you bitch now I voodoo curse you

A psychologist wrote, leave a relationship on a positive
note, fuck that I hope you choke!

I might end up the worst husband, but you're more
corrupt

Come on you fucked your first cousin

You sucked your pops off, you're Il sucked the cock of
a horse for coke

You're Il walk the block of course

Intercourse is flossed of by the pimp boss

Never marry a bitch, the average marriage ends in
divorce

I share the same view on women as Gene Simmons

Skin tight denim, getting up in 'em is the minimum

Mad 's in prison from fighting over some sleaser

skeezer ho stays in the blizit and she donâ€™t visit
You ugly witch fed drugged snitch cheap stripper leech
bedbug bitch
You donâ€™t look like Carmen Electra, hooker you look
shredded like Shiroma mixed with Oprah
Pole dancer, your assholeâ€™s a rancid massive hole
of cancer, donâ€™t romance her!
