Master! Master!

The Master of ruckus suckas

Committing crime is primal

Sip some tea eat a dope meal then break his spinal

Threw the rope-a-dope if I still can't counter attack
on vinyl

Pound you with a round house you hit the ground its
final

Don't disturb me verbally you're like a gerba?
baby

Cut my enthusiasm you 'an urban herb- dude looks like
a lady

Don't talk cops grind you like pan fried pork chops

Solid pig new york cops I walk with a bop (pause)

I clash you're a moron with a glass chin

Kick your ass like Zohan classic like Johan Sebastian

Very punctual when I puncture you punk kung fu you

I lump you in the trunk like structure? filled with junk

My arch enemies know me infamous like McDonalds
arches

Like the oj car chase, malcolm's departure

Martin Rodgers? and jimmy hoffas carcass

Parcheesy im that sleazy profit marketable narcissist

Viva Necro (15x)

Master, master

I'm despicable kick you in your dick and balls

Smash your thick skull with a cricket ball

Stick up your clique ill Vic you all

Droppin bombs chop off your arms

Pop off the lamas more drama than a sonata from
brahms- no ones hotter than Ron

I got the kwan you think your big shit, you're a big
fish in small pond, a big bitch like a tall blonde

'No handshakes, flip you like murderous manner on
pancakes'

'Rip you like Otis in Devil's Rejects, these are the
breaks'

Fcuk in the kitchen if sex is a crime lock me in prison
Plus I love bitches like mike loved pigeons- I'm above
religion

Hit you twice with a big device dismembered you

remember me I'm stuck in your memory like gigabytes
Pop you with a tre pound till your ghost like go to me
brown
Comatose homey vaminose, get down or lay down
Youâ€™re too ridiculous pop vag in the game claimin
to be true lyricist you give hip hop a bad name
