Yo, Check 1, 2 Faggot. Uh, yo

(Necro)

I'm down to commit offenses

Looks like it's comin down to you gettin hit with  
wrenches

Been considered bitter since I was sitting on benches

Sellin nickels and full caps up in my denches

Lookin for the fade my sick adventures

You could have got ripped with a blade

No respect for you chicken wenches I'll spit iny our face  
in fifth grade

You got victims afraid, flipped every day.

Projects the obkect everyday was the beef everyone's  
sick with the plague

If I don't recieve respect you can't believe you'll leave  
breathing correct

Bleeding with a meat cleave in your neck

You wanna see evil infect people you'll seek illegal  
crimes

Down like midevil untill death lethally injects

For Crooklyn the majot reason I rhyme's

Stab your mom like a razor between your spine jooks  
her

Still you need to diss? You'll get your penis kicked and  
beaten

Stiff till you bleed when you piss deep in the abyss

Watch ya fuckin toes kid, you might get piped

Gatted and sniped, your brain splattered aight?

Keep your lips zipped kid you might get knifed

Elbowed and sliced kid its Necro aight?(2x)
