[Intro]

Yo, it's Scrooge... Scrooge  
Scrooge is up in here...ho ho ho!!!

[Chorus]

I wish you a merry crucifixion, I wish you would get a  
new religion  
I wish you a merry crucifixion, and a crappy new year

[Verse]

Jesus ain't nuttin but a corpse to me, who is he  
Come over G and a pair of scrotums hangin off the tree  
Choke the Messiah, chop off your member  
And then I'll roast your nuts over an open fire  
Your jiggolo's big piccolo stick'll grow  
When I'm swappin spit with a hoe under the missile toe  
Yo, I'll get under this chicks clothes  
You'll be one dead slob after your neck's clogged with  
egg nog, choke  
The night before Christmas, you're feelin the essence  
Break in your crib, I got a posse of midgets stealin your  
presents  
Right through the chimney, you think we're rotten  
We're takin everything you got, kid down to every  
stinking stocking  
Robbin' you in a Santa suit, strippin you like a dancer's  
boot  
Santa Clause is dead, you'll die from cancer, duke  
I'm Dreamin of a White Christmas, I sniff this 8-ball of  
coke  
Then knock on your door like Jehovah Witness, holdin a  
biscuit  
Leave you a bleeding sinner  
I'm hunting randier, Rudolf will get eaten for dinner  
He got a red nose gushing from all the bullet holes  
I got a deer cookin, don't stuff yourself full of rolls  
While the world's infested with diseases  
Let's be happy, kick back and celebrate the death of  
Jesus  
The miricle on 44th street, is now on 42nd street  
When Mrs. Clause is suckin raw meat  
To the records beat, so suck my candy cane 'till I need

a vasectomy  
Not a creature was stirring, not even a mouse  
'Cause you're all dead  
There's air in the room but none of you are breathing it  
out

[Chorus]

Merry crucifixion, I wish you would get a new religion  
I wish you a merry crucifixion, and a crappy new year  
I said violent night, unholy night

[Outro]

On the first day of Christmas, I do my savory  
Your cartilage is teared, G

I'm Scrooge, you all die!!!  
ho ho ho ho ho ho ho HO HOEESSS!!!
