Denis Leary/Chris Phillips)  
I want you to get a gun  
And head on down to Washington  
I want you to climb up high  
High in the sky and shoot them all  
Th-th-they don't deserve to live  
What did they every give to you? Na na na na na  
You know what I want you to do? I want you to go  
upstairs to that  
Apartment where that guy keeps playing that Barry  
Manilow record  
"Copacabana" over and over and over again. I want  
you to ring the  
Doorbell, and when he answers the door, I want you to  
stab him in the neck  
With a Number 2 pencil over and over and over again  
because he must pay!  
Chop him up and put him in the freezer and as you  
leave the apartment,  
Light the place on fire!  
CHORUS  
Voices in my head  
These are the voices in my head  
Voices in my head  
These are the voices in my head  
You should dress up like a clown  
Bark bark howl  
Hi you never called me back. I got the pictures back  
from Thanksgiving. I  
Don't know why you wear that earring. If your father  
was alive I don't  
Know what he'd say. I was talking to Mrs. Corelli  
yesterday. You know  
Bobby Corelli who was in your grade? He got promoted  
again in his law  
Firm. He's making \$175,000 a year now. Are you on  
drugs? Why don't you  
Ever call me back? When are you gonna get married  
son? Isn't it about time  
You settled down and got yourself a wife and got  
yourself a house and got

A kid, and got a car, and got a dog and got a  
lawnmowerk, and got a nice  
Picket fence...

CHORUS

The voice in my head-  
Why, why is it every time  
I gotta wait on fuckin' line?  
Why is it every time I turn on my television set I gotta  
see Sally  
Struthers and those starving kids? Why can't  
somebody just send her a  
Check and shut her and those god damn kids up? Jesus  
fucking Christ!  
Where's Rob Reiner when you need him?  
Why, why don't they drop the bomb  
Right on top of everyone? Na na na na na  
CHORUS
