Lie
Lie
Lie
I'll pretend that I got over it when I know it's a lie

7:30, bright and early
Who'd have ever thought
I'd be hurting
When I'd seen you
Can't believe that I'd seen you
No
First I told myself wait a minute
Calm yourself down and give him the benefit of the
doubt
And that's when he showed up

He was holding and kissing
Smiling and whispering
Sweet nothings in her ear
Yeah yeah
He looked so in love
Like he loved her most of all
And right then I closed my eyes

To pretend like I didn't see that girl within your grip
When I know that I did
I'll pretend it didn't hurt me
I didn't cry
That I got over it when I know it's a lie

Lie
Lie
Lie
I'll pretend that I got over it when I know it's a lie

My head told me you were worth it
My heart told me you'll desert it
It's no good
Oh
But I can't let you go
Cause I keep thinking
Back to the time when we were so in love

When no one could break us up
Where did we go wrong?

You were holding and kissing
Smiling and whispering
Sweet nothings in her ear
Yeah yeah
He looked so in love
Like he loved her most of all
And right then I closed my eyes

To pretend like I didn't see that girl within your grip
When I know that I did
I'll pretend it didn't hurt me
I didn't cry
That I got over it when I know it's a lie

Lie
I know you've been lyin' to me
Lie
Know you've been lyin' to me, know you've been lyin' to
me
Lie
Oh oh
I'll pretend that I got over it when I know it's a lie

I'm gonna to lie to myself right now
Ain't got no time to figure out why
My babe's going out in the middle of the night
To break my heart
And I'm not ready to fight that fight
I still can't forget but I'm gon' try
So when he comes through that door
I'm gon' love him a little more

To pretend like
Yeah yeah yeah
When I know that I did
Oh
Hurt me
I didn't cry
That I got over it when I know it's a lie

Lie
I know you've been lyin' to me, know you've been lyin'
to me
Lie
L'lie, l'lie, l'lie, l'lie
I'll pretend that I got over it when I know it's a lie

Oh

Oh
Oh
Oh
Oh
Yeah yeah
I'll pretend
